INTERNATIONAL EXHIBITION FOR TIMBER, DESIGN AND TECHNOLOGY

26-29 | 4 | 2018

METROPOLITAN
EXPO EXHIBITION CENTER

We are waiting for you at our stand

Consistent with this year's wood sector meeting, AKRITAS is waiting for you at the MEDWOOD exhibition to exchange views with the aim of our better and more efficient cooperation.

AKRITAS is today the only GREEK particleboard industry that has been operating on a continuous basis since 1977 using 100% natural solid wood of high performance. It has a wide range of designs and colors in melamine, kitchen worktops, doors and surfaces, offering top quality products.

Since the day of its foundation, AKRITAS has been firmly committed to values based on respect for people and its partners and the protection of the environment.

I participate in the exhibition and I invite you to my stand:
