

ATTESTATION

No. E1-795-2/2025

Herewith it is confirmed that in the second half of 2025, performed on November 18, 2025, a regular supervision of the product

AKRIPAN

particleboard, UF + MUF, unfaced
thickness range: 6 mm ≤ 38 mm

manufactured by

AKRITAS S.A.

GR 68400

Provaton Soufliou

Greece

was carried out by the approved supervision body (NDS08)

Fraunhofer Institute for Wood Research

Wilhelm-Klauditz-Institut WKI

Riedenkamp 3

38108 Braunschweig

Germany

according to supervision contract no. 795 dated May 31, 2010.

It was found that the requirements on personal and equipment are suitable to produce the product in an adequate way and the factory production control meets the requirements of the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt - Guideline 100)" dated June 1994. This attestation is part of the evaluation report. The continuous external supervision of factory production control shall take place twice a year.

Dipl.-Ing. Harald Schwab

Head of Department Quality Assessment

Braunschweig, February 19, 2026
